Ben Fong

*Professor of Practice (Health Studies)
College of Professional and Continuing Education
The Hong Kong Polytechnic University
Hong Kong*

Ben Fong is the Professor of Practice (Health Studies) at the College of Professional and Continuing Education, The Hong Kong Polytechnic University. He received his medical training at the Royal Prince Alfred Hospital of The University of Sydney, where he was awarded the Master of Public Health in 1989. He has post-graduate qualifications in Medical Administration, Community Medicine, Family Medicine and Occupational Medicine. In over forty years of his career, he has served in public, private and university healthcare facilities both in Hong Kong and Sydney, including the commissioning of two local hospitals, Ruttonjee Hospital and Union Hospital. He has also served as the Director of University Health Service of The Chinese University of Hong Kong and as the Deputy Medical Superintendent of Prince Henry Hospital of the University of New South Wales. He has published books in public health, primary care and ageing.
