

**2nd Multidisciplinary International Musculoskeletal Pain Congress cum
11th Multidisciplinary Musculoskeletal Ultrasound Congress on Pain Management
12 – 14 April 2024 • Hong Kong**

Peter Siu

Associate Consultant

Department of Orthopaedics and Traumatology

Queen Mary Hospital

Hong Kong

- Doctor in charge of the Musculoskeletal Ultrasound Curriculum for all final year medical students of the University of Hong Kong.
- Co-Chairman of the Upper Limb Ultrasound Workshop, organised by the Orthopaedic and Anaesthesiology Department of the University of Hong Kong.
- Established the first Orthopaedic-Radiology collaboration clinic in QMH; Utilising conjoint efforts with radiologists, together we hope to streamline patient care and optimise resource utilisation.
- Responsible for the one-stop shoulder clinic service in MMRC. Empowered by sonography, we provide one stop solutions to patients from diagnostics, pain intervention and physiotherapy in the same visit, fulfilling the concept of one stop, multiple service provision.
- Established the first Orthopaedic Sonographic Assessment Clinic in QMH; I provide solutions to patients with musculoskeletal pathologies from head to toe.
- Established cross-specialty collaborations with radiologists, rheumatologists and anaesthetists. I look forward to further collaborations with various specialties.
- Chairman of the Sports Medicine webinar: Controversies in Patellar Instability in 2022.
- Instructor for Cadaveric Workshop on Knee Arthroscopic Surgery in 2023.
- Moderator and instructor of the Sports Medicine Workshop for ORP in 2022.
- Active in research in the field of musculoskeletal ultrasound, from head to toe; invited for international publications.
