11<sup>th</sup> Multidisciplinary Musculoskeletal Ultrasound Congress on Pain Management  
12 – 14 April 2024 • Hong Kong**

**Philip Peng**

*Department of Anesthesia and Pain Management  
University of Toronto  
Canada*

Philip Peng is the professor in the Department of Anesthesiology and Pain Medicine of University of Toronto. He is a leader, researcher, educator and pioneer in the application of ultrasound for pain medicine. His contribution of pain education resulted in “Founder” status from Royal College in Pain Medicine in Canada, and the Award of Recognition of Education in Pain Medicine by ESRA.

His innovative research led to different new procedures in pain intervention. He received numerous awards including the John J Bonica award from ASRA, Distinguished Service Award from both ESRA-Spain and Canadian Pain Society, Gold Medal Award from Canadian Anesthesiology Society. He is the inaugural fellow to ASRA (FASRA) which recognizes the contribution of prominent member of the field. He has delivered more than 500 lectures and workshops nationally and internationally. He has edited 8 books and published 260 peer-reviewed publications and book chapters.
